

TEACHING ARTIST ROSTER

Apply for the Arizona Commission on the Art's Teaching Artist Roster!

Are you a practicing artist with a love of teaching?

Do you have the ability to engage individuals in learning experiences in, through and about the arts?

HOW IT WORKS:

The Teaching Artist Roster is an online, juried directory of Arizona artists representing all artistic disciplines. By utilizing web based technology, you are able to apply online, upload artistic samples online including PDFs, audio files, video files and images, and, if juried onto the Roster you will receive your own webpage to promote your arts learning services.

With two distinct entry points for users, the Roster distinguishes between the unique work done in Community and Education based settings. Community Based artists need to be able to work in a variety of settings with a range of age groups. Education Based artists need to be able to work with schools, administrators, educators and pre-k-12 students using Arizona State Arts Standards.
